

Study area

### Soil profile locations

- Soil survey of agricultural area
- Soil survey *ReBo*
- Forestry Service data base
- Auger observations (WLM)

### Surficial geologic units

- Alluvial deposits
- Coarse blocky debris
- Colluvial deposits
- Calcareous sedimentary rock
- Debris cones
- Glacio-lacustrine sediments
- ice-marginal sediments
- Intermediate sedimentary rock
- Landslide deposits
- Mire deposits
- Mixed deposits
- Siliceous bedrock
- Slope debris
- Siliceous sedimentary rock
- Till in general
- Anthropogenic deposits
- Water bodies
